Disclaimer – SISTEMA Library of Kübler Corp.

The information and values listed in the SISTEMA library have all been thoroughly elaborated and checked. However, the SISTEMA library could be simplified, which is why it shall merely be used for information and support regarding the probabilistic analysis according to EN ISO 13849-1.

The user is responsible for the correct use of the information and values listed in the SISTEMA library. This is why Kübler assumes no responsibility for incorrect calculations performed by the user and any resulting malfunctions of the complete system. This especially applies to the responsibility for engineering, assembly and startup. Kübler only assumes responsibility for such services and corresponding information based on a corresponding specific written agreement.

Kübler cannot be made liable for personal injury, property damage, or economic loss resulting from the integration of components, if those damages have not been caused directly by faulty products or objectively incorrect information provided by Kübler.
